ARTIFICIAL BAIT STRUCTURE

FINAL DECLARATION

William E. Chambers, Sr. declares and says that he is a U.S. citizen, residing at 1431 Union Church Road, Watkinsville, Georgia 30677, and he is the original inventor in the above-described application.

That he has carefully read and considered the subject matter of the above-identified application as filed, and the amendments made thereto, and each of the claims as submitted and the claims allowed therein.

That the entire subject matter thereof was part of his original invention and was invented before he filed his application for such invention.

That he does not know and does not believe that the same was ever known or used in the United States before his invention thereof, or patented or described in any printed publication in any country before his invention thereof, or more than one year prior to the date of said application, or not been patented or made the subject of an inventor's certificate issued before the date of said application in any

country foreign to the United States of American on an application filed by him or his legal representatives or assigns more than twelve (12) months prior to said application in the United States of America, and has not been abandoned.

The undersigned petitioner declares further that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
